

Fleet Safety Management

copperpoint.com

COPPERPOINT • ALASKA NATIONAL

Our Fleet Safety Toolkit contains a wide spectrum of solutions designed to cover your real needs, from simple proven driver reporting services to leading edge telematics and video analytics systems.

Driver Behavior Monitoring

Combines the power of cameras, telematics, and human monitoring to provide instant alerts to unsafe driver behavior. Available at negotiated rates.

Continuous MVR & Driver Infraction Monitoring

CopperPoint offers continuous MVR monitoring and constant monitoring of your drivers' records across all domestic jurisdictions at a special rate to our commercial auto policyholders.

HR Solutions

Partner with a nationally recognized psychometric job applicant testing company to provide your HR team with powerful resources to select the best candidates.

Online Training

24/7 Access to impactful training videos, tests, regulatory information, and fleet management best practices.

This information is provided as a general overview. Actual coverage and services may vary and is subject to policy language as issued. Coverage is underwritten by CopperPoint Insurance Company, or one of its wholly-owned insurance companies, and is limited to the states where licensed. California policies are underwritten by Pacific Compensation Insurance Company and Alaska National Insurance Company.
